

FOR YOUR INFORMATION...

Passion Services (Passias), or the Sufferings of Christ, are conducted solemnly throughout Ukraine on the first four Fridays of the Great Fast, but where it is difficult to gather on that day, they are conducted on Sundays after the Divine Liturgy or after vespers.

A "Golgotha" (a tall icon of the crucified Christ) is placed in the center of the Church, and in front but to the sides are placed tall candle holders. A pulpit with the Holy Gospel placed on it is set behind the Golgotha. When a separate Golgotha is not available, then a larger cross, draped in black cloth, is set in its place.

Passion services were introduced into the Holy Ukrainian Orthodox Church first during the leadership of the Metropolitan of Kyiv, Petro Mohyla (+1647 AD), in remembrance of the sufferings of Christ and the sufferings of the Ukrainian Church under her oppressors.

The Three Aspects of Fasting...

Prayer

Abstinence **Almsgiving**

The Fast — is a period of spiritual strengthening. *If we are not able to give God all our life, then let us dedicate the times of fasting to Him, without compromise — let us intensify our prayer, let us increase our charity, let us tame our passions, let us make peace with our enemies.*
